Publications. The present policy is to publish annually one volume of the Journal consisting of two numbers, No. 1 in March and No. 2 in September. Memoirs are published at irregular intervals. All manuscripts published in *African Entomology* are peer reviewed.

Access to the electronic copy of *African Entomology* is an additional R50 for institutional members within SADC countries and US\$5 for institutional members outside the SADC region.

Lost numbers. Copies that have not been received cannot be replaced free of charge unless the Society is notified within one year of publication of the issue concerned.

Papers. Members and non-members may submit papers for publication in the Journal or as Memoirs. Authors should comply with instructions outlined in 'Guide for Authors' printed on the last pages of each issue of the Journal.

Short Communications. Consideration may be given when space permits to the publication of short items of scientific merit.
